

Streamlined Billing, Simplified Results.

Simplify Your Billing. Maximize Your Revenue.

At SimplifyBill, we offer comprehensive **Revenue Cycle Management (RCM)** services that handle everything from credentialing to claims submission, so you can focus on what you do best—providing excellent care to your patients.

Our Services:

- **Credentialing & Enrollment:** We handle the entire process, ensuring your practice stays in-network with insurance providers.
 - **Advance Eligibility Verifications:** Get accurate eligibility checks to avoid claim delays and denials.
 - **Claims Submission:** Fast, accurate claims submission to ensure timely reimbursement.
 - **Payment Posting:** We post payments correctly to keep your accounts up to date and minimize errors.
 - **Denial Management:** We proactively manage and resolve claim denials to maximize reimbursement.
 - **Accounts Receivable (AR) Management:** We work on your complete practice AR, ensuring consistent cash flow for your practice.
 - **Comprehensive Reporting:** Receive daily, weekly, and monthly reports to keep you informed and in control.
-

Why Choose SimplifyBill?

- **Cost Savings:** Reduce overhead costs by outsourcing your billing to us. No need to maintain an in-house billing team.
 - **Flexible Billing Models:** We charge based on your collections—starting at just 3%—making our services affordable and scalable.
 - **Faster Payments:** With expert denial management and quick follow-ups, we speed up your cash flow.
 - **Expert Team:** Our team is highly experienced and up-to-date with the latest billing regulations, ensuring compliance and accuracy.
 - **Tailored to Your Needs:** Our services grow with your practice. We're here to support you, no matter the size of your operation.
-

The SimplifyBill Advantage

- **Full-Service RCM:** From scheduling to payment posting, we handle the entire process.
- **Proven Results:** Our clients report improved collections, reduced AR, and faster payments.
- **Transparency:** Clear, easy-to-read reports help you stay on top of your practice's financial health.
